BITCH REQUIREMENTS

The Bitch Owner is responsible for the health and breeding fitness of the bitch and will provide Forever Golden Retrievers with:

- ☐ Signed Stud Service Agreement
- ☐ Three-generation pedigree
- ☐ Copy of AKC registration
- ☐ OFA hip certification
- ☐ OFA elbow certification
- ☐ Current eye clearance
- ☐ Cardiac clearance
- ☐ Applicable DNA/genetic testing
- ☐ Current veterinary physical examination
- ☐ Negative Brucellosis test
- ☐ Progesterone testing confirming ovulation

The bitch must be at least two (2) years old and no older than seven (7) years old at the time of breeding.

The bitch must be in good physical health and free from contagious or infectious disease and internal or external parasites, including worms.

Copies of the bitch's health records and OFA clearances may be emailed prior to breeding or provided at the time of breeding.

Forever Golden Retrievers reserves the right to refuse breeding if the bitch does not meet these requirements.

STUD FEE

The total stud fee is **\$2,000.00**.

A **\$500.00 non-refundable breeding fee** is due at the time of breeding.

A litter is defined as **three (3) or more puppies surviving seventy-two (72) hours after whelping**.

If three (3) or more puppies survive the 72-hour period, the remaining **\$1,500.00 balance is due to Forever Golden Retrievers within one (1) week after whelping**, unless a different agreement is made in writing.

If one (1) or two (2) puppies survive the 72-hour period, the fee shall be **\$250.00 per surviving puppy** in addition to the \$500.00 non-refundable breeding fee.

If no litter results from the breeding, no additional payment shall be due and there shall be no further obligation on the part of either the Bitch Owner or the Stud Dog Owner.

BREEDING EXPENSES & TIMING

Progesterone testing is required to confirm ovulation.

All expenses associated with progesterone testing, semen collection, preparation, shipping, insemination, veterinary services, and transportation are the responsibility of the Bitch Owner unless otherwise agreed to in writing.

Breeding Method: ☐ Natural Breeding ☐ Fresh Semen ☐ Fresh Chilled Semen ☐ TCI ☐ Other: _____

BITCH OWNER RESPONSIBILITY

The Bitch Owner warrants that the bitch has not been exposed to another stud dog during her current heat cycle and agrees to protect her from exposure to another male following breeding.

The Bitch Owner is responsible for the bitch's care, transportation, veterinary expenses, and any other breeding-related expenses unless otherwise agreed to in writing.

The Bitch Owner agrees to promptly notify Forever Golden Retrievers of the whelping date and the number of puppies surviving at seventy-two (72) hours.

GENERAL TERMS

The parties acknowledge that breeding and reproduction involve inherent risks and that no pregnancy or specific litter size can be guaranteed. The Stud Dog Owner is not responsible for veterinary complications, illness, injury, or loss associated with the bitch, pregnancy, whelping, or puppies except to the extent caused by the Stud Dog Owner's own intentional misconduct or as otherwise required by law.

Any change to this agreement must be made in writing and agreed to by both parties.

This agreement represents the understanding between the parties regarding this breeding.

By signing below, both parties acknowledge that they have read, understand, and agree to the terms of this Stud Service Agreement.
